Character Development

MUM

Deuteragonist

Mum was the main person in the story of healing for the MC. She fulfilled the practical needs and created ideas and plans for the MC to move forward in her life. She loved the MC unconditionally.

NURSE WEST

Tertiary character

Nurse West was a ray of sunlight through a very dark and frightening time for the MC. Nurse West gave her time and friendship to the MC and was the first person to encourage and make the MC enjoy life a little bit more.

DR HEINZ

Tertiary character

Dr Heinz was a psychiatrist who tenderly broke open the MC in a very kind and professional way. Dr Heinz helped the MC make sense of a very confusing time in her young life.

BONNIE

Tertiary character

Bonnie befriended the MC at the Chermside Mental Health hospital. Bonnie's kindness and protective nature was a great sense of strength and guidance for the MC in this very strange environment. Bonnie looked out for the MC and was always nearby.

SHEL

Confidant

Shel is the MC's older sister, and she provides the MC with a trustworthy friendship, she is someone to talk to and confide in somewhat. Shel is also the one person the MC can go on adventures and outings with and laugh with and forget about the darkness that was her life for a little while.
